Newsletter - October / November

As I write this, we are a few weeks away from the launch of our new school: Hillel Park School. For further information visit our [website](#).

Meanwhile, our summer school is in full swing in the beautiful Surrey hills (Sunnydown school - Caterham-on-the-hill). We are so grateful to the Head Paul Jensen and his team, for affording us the opportunity to enjoy his school facilities, which includes an outdoor gym designed for children; As well as our partners, Croydon Council and Kiwanis Croydon club. This is our opportunity to showcase the kinds of quality provision we will be hosting in our forthcoming school - Hillel Park School.

## HPS Update! Ofsted and New School Building at Cornerstone House

We finally secured our school building! Over the Summer we moved into our **new school premises** at Cornerstone House, 14 Willis Road, Croydon, CR1 2XX.

With ample space inside and out, our classes will take place in a setting that continues to promote the nurturing of a new generation of leaders and continue to use our underlying Christian values.

---

Dear Father God,  
 I am the head and NEVER the tail.  
 I am above only and NEVER beneath.  
 I am first and NEVER last.  
 I am Unique. I am ( your name)  
 I am special - God makes no mistakes.  
 I am fearfully and wonderfully made.  
**Amen**

## Launch of Christian Home schooling learning hub

Will you join **Bright Futures 4 All** in building a world-class learning centre for Christian and non-Christian parent/carers? Are you aware that you can teach your child at home, either full or part-time? This is called home education (sometimes 'elective home education' or 'home schooling').

Fact: Approximately 100,000 parents in the UK are home schooling. They have left mainstream education often due to bullying or a lack of adequate school provision to meet the needs of their child. Visit the web link for further information on home schooling:  
<https://www.gov.uk/home-education> **Please click here to download the Educating for Eternity e-booklet** about our new provision, produced by our sister centre in Central England.

We wish to host an information event about our forthcoming provision that will act as a resource centre for parents wishing to access a quality learning hub, where they can be supported in their desire to home educate their children.

Feel free to contact us, if you would like to support us, or become a member of the learning centre, based online (Virtual school or Central Croydon). All families are welcome.

We will have an Open Day to coincide with the launch of the Home schooling hub and registration/enrolment to the Virtual School on Thursday, 7th October and Friday, 8th October 2021 (by appointment) and Saturday, 9th October 2021 - 10am.

At this meeting we will talk through the facilities at the Home Schooling learning centre and the Virtual Day school lessons, alongside expectations and rules for membership of the hub.

Please do email us at or call us on:

## Moving on – Pastures new in Canada

### **Christian, Ethan & Grace.**

Mrs Bryson and her staff at **Bright Futures 4 All** were such a massive blessing to us and our children. Our three children benefited greatly from the different services that **Bright Futures 4 All** offer. Our 5 year old daughter and 10 year old son were enrolled in the virtual day school. Our 10 year old son also attended the evening 11+ tuition classes which were brilliant. Our 5 year old daughter was able to finish a year ahead due to the level of teaching and support she received, the fact that everything was online it was remarkable how well organised and effective the learning was.

The 10 year old loved attending the regular bible study group where all the children were encouraged to lead praise and worship and share their love of God. His confidence has grown so much. Our 12 year old had after school maths tuition which he loved, his tutors were brilliant, they were very patient and good at breaking questions right down to their simplest forms so he could understand. He actually looked forward to his maths classes!

Best Regards

Martins & Iryn

# Nathaniel Community Champion!

## **Nathaniel Weah - nominated and awarded 'Sunshine Award' Community Champion**

Nathaniel Weah (aged 14 years - and is Dyslexic and mildly Autistic) sacrificed most of his summer to work on our Summer School project.

As a volunteer, he was committed to making a positive difference in the lives of the next generation of younger children. He acted as LSA - Learning Support Assistants to the main teachers in the class, teaching science and arts.

Additionally, Nathaniel Weah, took daily responsibility for preparing all the educational resources in our main hall and ensuring all flooring and surfaces were kept clean without being asked. He is a shining example to his generation of how hard work will be rewarded.
