A new school for
a new generation,
nurturing future leaders!

Opening Autumn 2022!

As I write this, we are a few weeks away from the launch of our new school: Hillel Park School. For further information visit our [website](#).

Meanwhile, our summer school is in full swing in the beautiful Surrey hills (Sunnydown school - Caterham-on-the-hill). We are so grateful to the Head Paul Jensen and his team, for affording us the opportunity to enjoy his school facilities, which includes an outdoor gym designed for children; As well as our partners, Croydon Council and Kiwanis Croydon club. This is our opportunity to showcase the kinds of quality provision we will be hosting in our forthcoming school - Hillel Park School.

As welcome to the end of what has been a busy and successful academic year, this summer issue is an opportunity for us to celebrate our students many achievements. Our greatest cheers go to those students who have overcome the biggest barrier to most learning progress - confidence!!! This includes testimonies from parents on their children's progress (William's Journey...) and our 5-week pilot programme 'Grass-2-Grades with Cre8 Football academy. Alongside a synopsis of our Virtual Day School, school trips and end of year party.
